Prescription Discount Program

What is the Prescription Discount Program?

It is a program that offers substantial discounts on prescription drugs purchased through affiliated pharmacies. As a member of Employers Dental Services you are eligible for a prescription drug benefit.

How does the program work?

When you need to fill a prescription, go to one of the participating pharmacies and present your EDS I.D. card with the prescription. **YOU MUST PRESENT YOUR EDS CARD** to receive the following discount:

- **Brand Name** drugs are offered at the average wholesale price less 15%, plus a \$3.00 dispensing fee.
- **Generic Substitutes** are offered at the average wholesale price less 30%, plus a \$3.00 dispensing fee.

This program is not valid in combination with other discount plans, HMO prescription benefits or prescription cards. The program is available to EDS members and their families. All family members do not have to be enrolled in EDS to utilize the prescription discount program. This benefit is good on medical as well as dental prescriptions.

Which stores participate in the Prescription Discount Program?

Currently, pharmacies located in Bashas', Fry's, and Safeway stores participate in APN.

Employers Dental Services has arranged with APN to make this prescription discount program available to individuals enrolled in EDS prepaid dental plans. THIS IS NOT INSURANCE. This arrangement is subject to change or termination at any time. Participation may vary.

Formal Grievance & Appeals Process

Levels of Review

EDS members may ask EDS to review its decisions involving their requests for services or requests to have claims paid. The Arizona State Legislatures have established six levels of review. Companies that perform utilization review activities after services are provided (EDS is in this category) are not required to provide the Expedited Appeals Level 1 (Expedited Dental Review), Level 2, (Expedited Appeal), Level 3 (Expedited External Independent Dental Review) or Standard Appeals Level 1 (Informal Reconsideration). EDS members have two levels of review available to them. They are Standard Appeals Level 2 (Formal Appeal) and Level 3 (External Independent Dental Review).

There are two types of appeals: an expedited appeal for urgent matters, and a standard appeal. Each type of appeal has 3 levels. The appeals operate in similar fashion, except that expedited appeals are processed much faster because of a patients' condition.

Expedited Appeals

(For urgently needed service you have not yet received)

Level 1	Expedited Dental Review
Level 2	Expedited Appeal
Level 3	Expedited External Independent Dental Review

Standard Appeals

(For non urgent services or denied claims)
